Indicate the type of right you wish to exercise	
I request the exercise of the Right to: (Access, Rectification, Cancellation, Opposition, Portability)	**Reason for request***

Note: The cancellation will not proceed in cases where there is a legal obligation to keep them, as established in national laws. If the cancellation is approved, only the data necessary for the fulfillment of potential liabilities arising from the processing will be kept at the disposal of the PII Controller during the period of limitation of the obligation; or those necessary for statistical purposes, which have been previously submitted to the disassociation procedure.

Documents accompanying and supporting your request.
1.
2.
3.
4.
5.

In compliance with the regulations in force, the Owner of PII may withdraw at any time the consent granted for any data processing. The request for withdrawal of consent shall not apply in cases where there is a legal obligation or when the business relationship between the parties requires the processing for its execution. Upon receiving the request for withdrawal of consent for the processing of PII, Bladex will analyze the particular situation of the processing(s) included in this request and if the Owner of PII is entitled to do so, Bladex will proceed within a period of no more than five (5) working days to suspend the processing(s) whose withdrawal has been requested.

Signature of data subject	Date of the request:

Note: If the request for withdrawal is submitted by the Legal Representative/Proxy, an authenticated copy of the document by which such legal representation was granted and a copy of the identity document of the person making the request must be provided.

For Bank use only	Beginning Date	Request No.
